Protests

Definition

8.13. Under the present chapter, “protest” shall mean any match-related claim which may have an impact on the result of a Beach EURO match.

Exclusion of Protests

8.14. With regard to all and any Beach EURO matches, protests shall not be permitted when relating to:

- a) Date, time, venue and draw of the matches
- b) Nomination of referees and delegates
- c) Referees’ decisions on facts in accordance with the IHF Rules of the Game, including those based on EHF delegate’s recommendations.

Procedure

8.15. Protests shall be announced verbally to the EHF delegate of the respective match immediately after the end of the match. The reasons for the protests shall be submitted in writing and in English to the EHF office within thirty (30) minutes after the end of the relevant match.

8.16. Moreover, a protest fee of €400 shall be paid by the claimant to the EHF. This amount shall be paid directly to the EHF delegate or transferred to the EHF bank account at the same time as the claim is handed over. A written proof of payment of the protest fee in the defined deadline shall be deemed sufficient.

8.17. If the protest is fully granted, the protest fee is refunded to the claimant; otherwise it is forfeited to the credit of the EHF.

8.18. The deadlines and fees for protests apply equally for any additional information submitted in connection with the Beach EURO.

8.19. The Disciplinary Commission takes a decision by simple majority. Cases of suspension and/or disqualification of players or teams may be decided according to the relevant regulations; the decision of the EHF Disciplinary Commission shall be announced to the parties at least one hour prior to the next match of the party(ies) involved.

Appeals

8.20. Unless otherwise provided in the decision of the Disciplinary Commission, an appeal against a decision of the Disciplinary Commission shall be received by the EHF Office in writing no later than 20:00hrs local time the same day the Disciplinary Commission decision is communicated to the parties.

8.21. Besides, an appeal fee of €1.000 shall be paid by the appellant to the EHF. This amount shall be paid directly to the EHF delegate or transferred to the EHF bank account at the same time as the appeal is filed/requested. A written proof of payment of the appeal fee in the defined deadline shall be deemed sufficient.

8.22. If the appeal is fully granted, the fee shall be refunded; otherwise the appeal fee is forfeited to the credit of the EHF.

8.23. Such an appeal request is transferred to the Jury. The Jury makes a decision by simple majority following an express procedure. Such a decision is announced to the relevant parties.

Eligibility to Play

8.24. The submission of protests concerning eligibility to play is not subject to any mandatory deadline.

European Handball Court of Arbitration (ECA)

8.25. Any issue decided upon by the Jury may be brought by any of the relevant parties before the ECA. The Rules of Arbitration for the ECA apply.

8.26. The initiation of proceedings before the ECA on a specific issue does not suspend the implementation of the decision taken by the Jury on such an issue, unless decided otherwise by the ECA in accordance with the Rules of Arbitration for the ECA.

Arising Costs

8.27. In principle the actual costs for personnel and material arising from the activities of the Disciplinary Commission and the Jury shall be charged in connection with the procedure. Rules governing the apportionment and payment of costs related to the EHF bodies' legal proceedings by and between the parties are stated in Article 48 of the EHF Legal Regulations.

Exclusion of Liability

8.28. The EHF shall not be liable for any third-party liability claims arising from the execution of single matches or any other events in connection with the Beach EURO.

IX. ANTI-DOPING

Doping Control

- 9.1. Doping controls may take place before, during and after each Beach EURO in accordance with the EHF Regulations for Anti-Doping. As of the registration of their teams of the Beach EURO, the participating Member Federations must fill in the official “whereabouts” forms and send them to the EHF and the EHF Anti-Doping Official/Unit (EAU). The “whereabouts” forms must be regularly updated by the participating Member Federations and communicated accordingly to the EHF and the EHF Anti-Doping Official/Unit (EAU) prior and during the Beach EURO.
- 9.2. The EHF Regulations for Anti-Doping, their enclosures and the WADA’s Anti-Doping Code including the list of banned substances are an integral part of these Beach EURO Regulations.
- 9.3. In case of anti-doping rule violations, EHF will initiate disciplinary proceedings against the perpetrators and take the appropriate disciplinary measures in accordance with the EHF Legal Regulations, the EHF List of Penalties and the EHF Regulations for Anti-Doping. This may include the imposition of provisional measures.
- 9.4. Member Federations must immediately inform the EHF of any decision at national level sanctioning a player for doping (including interim measures of protection/temporary injunction). A copy of the decision must be sent to the EHF Office. Decisions of Member Federations concerning doping confirmed by the EHF Anti-Doping Unit will be automatically implemented by the EHF at European level.

EHF Anti-Doping activities

- 9.5. Delegation members (including players and team officials) shall participate in the Anti-Doping activities organized by the EHF within the frame of the Beach EURO.

X. SPECIAL REGULATIONS

Training Schedule

- 10.1. The organiser is responsible for providing appropriate training facilities.
- 10.2. Upon request, teams playing in the Beach EURO shall have the possibility to train at the official competition courts at least once prior to their first match.

Final Round

- 10.3. All teams should schedule their stay for the entire event period.

Ceremonies

- 10.4. The organiser might arrange an opening ceremony on the court, an awarding ceremony (obligatory) and a farewell party inviting all parties involved with the collaboration of local officials.
- 10.5. Participation at the opening and awarding ceremonies is obligatory for all teams and EHF Officials in the name of courtesy and as a gesture of friendship.

XI. INSTANT REPLAY TECHNOLOGY AND GOAL–LINE CAMERAS

Instant replay offers the possibility to the referee to immediately watch a situation on a TV screen, if they were not able to see the complete action on the court and if they wish to check again before reaching a decision. The goal-line technology allows referees to utilize several cameras fixed on the goal to check whether the ball crossed the goal-line. Furthermore, the referees can also check if the ball crossed the goal-line before the end of the sets.

These pictures are easily accessible for the referees on a monitor on the support table positioned behind the official table on the court. The system, due to the absence of goal line, provides on screen a virtual goal line for a clear view of the ball position.

The use of both goal-line technology and the instant replay (disqualification and consequences) is exclusively the responsibility of the referees and only the referees can decide to make use of it or not.

This action cannot be taken in any case after awarding the goal. The protocol for this request will be explained during the technical meeting to the teams.

XII. IMAGE/PERSONALITY RIGHTS

- 12.1. All participating members grant EHF the right (royalty-free) to use photos and images of players and officials as well as team names, emblems and players uniforms within the framework of the Beach EURO for non-commercial purposes.
- 12.2. All participating teams grant EHF the right (royalty-free) to use any photo, any material (print material, advertisements, internet, product presentation, video etc.) produced for/at the Beach EURO for beach handball/EHF competitions promotions and sport development (training, teaching, etc.) purposes.
- 12.3. The EHF has the right to transfer these aforementioned rights of use to a marketing partner for the same purposes.
- 12.4. Each participating team must obtain the consent of the respective players and officials participating in the Beach EURO to the use of their image as defined here above. Each participating team must hold EHF and its partners free from any legal action from a player concerning the player's image/personality rights.
