EHF EUROPEAN CUP WOMEN 2021/22

FINAL: ROCASA GRAN CANARIA vs COSTA DEL SOL MÁLAGA

MEDIA INFORMATION

Welcome to the final of the EHF European Cup Women 2021/22! An exciting season across the continent comes to an end with an all-Spanish final, as defending champions Costa del Sol Málaga and Rocasa Gran Canaria will contest the two-leg duel for the trophy on 8 and 14 May 2022, respectively.

A total of 57 teams were on the starting grid when the competition started in October 2021 with the first of five knockout rounds. Seven months later, only two teams are left with a chance to lift that coveted trophy – and they both know how to do it: Málaga won Europe’s third-tier competition last year; Gran Canaria have triumphed twice, in 2016 and again in 2019.

The following media information provides you with essential facts about the two teams striving to become the EHF European Cup Women 2021/22 champions. Additional information can be found on the ehfec.eurohandball.com website.

IMPORTANT REGULATIONS

All matches shall be played in accordance with the IHF’s current Rules of the Game.

Variations on a technical level are possible.

All matches of the European Cup Women shall be played in 2 x 30 minutes with a half-time break of 15 minutes.

The matches shall be scored as follows:

- a) win = 2 points
- b) draw = 1 point
- c) loss = 0 points

Teams’ rankings are obtained by adding up the number of points won. If, after completion of the two matches, both clubs have won the same number of points (**no extra time will be played**), the teams’ standings shall be determined by the following criteria:

- a) goal difference
- b) higher number of plus goals scored in away match
- c) penalty shots

Rules for execution of penalty shots

- Only players (incl. goalkeepers) who are listed on the match report and are not suspended or disqualified at the end of the playing time are entitled to participate at the penalty shots.
- Prior to the penalty shots, each team shall name five players by handing the referees a list of numbers. These players shall then take one shot each until a decision (a winner) is reached, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their shots.

- The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take shots and throwers may perform as goalkeepers.
- The referees shall choose the goal at which shots are taken. The team taking the first penalty shot shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to throw first or last.
- If the scores are equal after the first round of penalty shots, it shall be continued until a decision is reached. In the second round, the other team shall start. Again, five players shall be named who are eligible to play (the players named before may be named once again).
- In the second round, a decision (a winner) is reached when a goal difference arises after both teams have taken one shot each.
- Serious infractions committed during penalty shots shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.
- While the shots being taken, only the player taking the shot, the current goalkeeper and the referees may enter the respective half of the playing court.
- If the number of eligible players falls below five, players may be named to take a second shot in the same round.

FINAL PREVIEW

It is an all-Spanish affair in the final of the EHF European Cup Women 2021/22 as two-time Challenge Cup winners Rocasa Gran Canaria face defending European Cup champions Costa del Sol Málaga in the two-leg duel for the trophy.

- The finalists are the only two clubs from Spain who have won Europe's third-tier competition in the past: Gran Canaria the Challenge Cup in 2016 and 2019; Málaga the inaugural European Cup in 2021.
- In the semi-finals, Gran Canaria lost the first leg but defeated HC Galychanka Lviv 53:47 on aggregate; Málaga beat ZRK Bekament Bukovicka Banja twice: 61:42.
- Málaga aim for a new attendance record for a European Cup final, hoping to fill their 5,000-seater for the second leg.
- Gran Canaria's Croatian right back Katarina Pavlovic is the competition's top scorer with 65 goals.
- Brazilian right wing Isabelle Medeiros is Málaga's best scorer, with 43 goals.
- This is the first final of a women's European club competition between two teams from the same country, since Herning-Ikast Håndbold defeated fellow Danish side TTH Holstebro in the final of the Women's EHF Cup 2010/11.
- Gran Canaria and Málaga have already met three times in various competitions during the 2021/22 season.
- Gran Canaria won both duels in the Spanish league (37:29 in Málaga, 31:28 at home), but Málaga triumphed 26:23 in the quarter-final of the Spanish cup in April, their most recent encounter.
- Málaga went on to win the Spanish cup for a second time in the club's history, defeating Mecalía Atlético Guardés 33:26 in the final.
